Adelram (Swan-Alchemist)

■

▼ (gap; soul-line continuity implied)

■

▼

THE FEDERSTAHL CONNECTION

Doctor Vorst (Federstahl researcher)

-
- [caused]■■→ Crystal Lattice Incident ■■→ 7 Fissures
-
- [displaced to 1832]■■→ McCullen bloodline:
- ■
- ▼
- Pop (Wyoming)
- ■
- ■■■[buried]■■→ Crystal Shard (beneath ranch)
- ■
- ▼
- Jake McCullen
- ■
- ■■■[functions as]■■→ counter-lineage figure / Vorst-adjacent echo
- ■■■[bound to]■■→ Wyoming Rift (last unclaimed fissure)
-
- ▼
- Eli McCullen (future)
-
- [erased from time]■■→ Professor's "Immaculate Slayception"
-
- Professor has no documented father
because Vorst was literally erased

Key Insight: Jake and the Professor share the same erased patriarch (Doctor Vorst), making them connected through both the bloodline and the soul-line — but separated by genre, era, and dimensional mechanics. Jake is best understood as a **counter-lineage figure / Vorst-adjacent echo**, carrying the converged weight of both ancestry and recurrence at the edge of the Wyoming Rift.
