

SEASON 1 SPINE

Season 1 is the story of Jake McCullen learning that the wound beneath his ranch and the silence around his mother are the same wound.

ENTRY POINT

- Wyoming Rift.
- McCullen Ranch.
- Jake McCullen.
- The erased mother.
- The inherited silence.

OPERATING THESIS

- Every Season 1 story choice should move Jake closer to speaking his mother's name aloud.
- The mythology serves the wound, not the reverse.
- The show is not "space cowboys"; it is a cowboy standing on cosmically contaminated ground.
- Save the prairie mother, save the universe.

SCOPE GUARDRAILS

- Stay close to Wyoming and the McCullen Ranch unless the user explicitly expands scope.
- Reveal cosmic scale through human consequence.
- Use silence, weather, land, objects, and withheld memory before exposition.
- Keep proposed additions labeled as development material until canon review.
- Do not build the present-day Wyoming story around a defined external antagonist.

- Do not frame, name, imply, or reveal any hidden personal-cause logic behind the wound unless the user explicitly lifts that firewall.
- Let Jake's rejection of all things Slayverse serve as the pseudo-antagonistic force: denial, containment, anger, and refusal create the pressure.

FINALE BOUNDARY

- The user is holding the Season 1 finale reveal.
- The room should not know, infer, pitch, outline, or foreshadow the finale's hidden causal turn unless the user explicitly provides that scope inside the task.
- Vorst may appear only in his pre-finale depiction.
- Preserve the missing shape until the user chooses to reveal it.
