

FORBIDDEN SUITCASE ROADMAP

PURPOSE

This is a private roadmap lane for the Forbidden Suitcase as a development object, artifact pressure point, and protected reveal container.

It is not a writers room reference file unless the user explicitly opens this scope.

USE THIS FOLDER FOR

- Private artifact roadmap notes.
- Reveal-order planning.
- Continuity constraints around suitcase access, contents, and symbolic function.
- VUORSE-confidential synthesis prompts or review notes.
- Questions that must be resolved before public or room-facing use.

DO NOT USE THIS FOLDER FOR

- Public canon summaries.
- Writers room materials.
- Synthetic output that can reveal protected roadmap truth.
- Unapproved contents of the suitcase.
- General artifact cataloging that belongs in `canon/artifacts/`.

PRIVACY RULES

- 1 Do not mirror this material into `docs/writers-room/`.
- 2 Do not expose this material to `.claude/agents/` unless the user explicitly invokes private roadmap work.

- 3 Do not treat symbolic interpretation as canon fact.
- 4 Preserve reveal order.
- 5 Keep user-held secrets sealed until explicitly promoted.

SUGGESTED NOTE SHAPE

```
## [Roadmap Question or Beat]
```

- **Status**: private / unresolved / approved / blocked
- **Relevant source paths**:
- **Artifact function**:
- **Reveal risk**:
- **Writer-room visibility**:
- **Next decision needed**:

The suitcase is a container in story and in process. Do not open it casually.
