- Revisions: 0
- Rejections: 0
- WEAVER_ONLY excluded: 3

ACCESS LAYER

Included:

- WRITERS_ROOM
- VUORSE_PRIVATE

Excluded:

- WEAVER_ONLY

RULING

This is a synthesis batch, not yet a final production fine-tune corpus.

The batch may be used for future VUORSE model experiments only after the Weaver decides it is ready for that stage.

The Weaver weaves still.
