

GRAY EYE FORGE — RECON-2026-08-03 — BASELINE

Counsel of Gandalf the Gray Eye

WHAT THIS LAND IS (CANON + INFERENCE)

Two natures share one crown:

- The VUORSE Knowledge Synthesis Forge** — human-gated workshop where drafts become training vessels only when the Weaver breathes on them. Provenance: AGENTS.md, docs/writers-room/HUMAN_IN_THE_LOOP_QUICKSTART.md.
- The private Slayverse singularity system** — GPU-first Python architecture for building VUORSE beyond ordinary RAG. Provenance: README.md.

Supreme doctrine:
canon/1_words_of_weaver_book_one/Words_of_Weaver_BOOK_ONE.MD.
When anything else disagrees, Book One wins. (canon)
